

Covid-19 Guidelines

Class Arrival/Departure

Mask must be worn upon arrival and kept on until class begins.

Dancers are required to enter the Studio on Front Street and exit on Reid Street. If dancers have to arrive early before the start of class, a member of the SG Management Team will supervise your child. No dancers should be left outside without supervision.

Dancers should arrive dressed. Temporally, changing rooms will be off limits but dancers are permitted to store their personal items away.

Dancers will be asked if they are sick or feel ill. If your dancer is ill or feels ill they will not be permitted to dance. Dancers that are sick will be sent home.

Instructors will take temperature of each dancer. Dancers will sanitize their hands with hand sanitizer before entering the studio.

Parents are requested to collect their child immediately after class. If parents are running late please contact the studio to let us know. Once class is finished a SG member will bring the dancers outside to wait on Reid Street until their parent or guardian arrives.

Class Structure

Classes will be structured to eliminate close contact. Dancers will dance within the marked spaces on the dance floor to maintain social distancing as best we can.

Instructors and staff will wear masks while in the studio and common areas where physical distancing cannot happen.

Dancers are not required to wear mask during class time however, they must be used in commons areas and when going to the bathroom.

Hair must be pulled back to avoid touching their hair and face.

If a dancer has back to back class in another studio they are expected to sanitize before moving to the other studio. If in same studio they must stay inside the studio.

Lobby/waiting area is closed to families at this time.

Dancers should sanitize their hands when leaving studio.

Sui Generis Dance Studio is following the guidelines outlined by Bermuda Government and WHO.

Our instructors and management team will be cleaning before and after every class. Floors will be disinfected and ballet barres will be wiped down. All surfaces and door handles will be wiped in between class times. Bathrooms will be sanitized after every use.

If a dancer travels overseas the dancer must provide dates of travel via email, and upon arrival back on the island, dancer will not be allowed to return to the studio for 14 days after the date of return.
